

Altenrhein Aviation (AAL AG) is a medium-sized MRO with headquarters at Altenrhein Airport in Switzerland. Since January 2022, we are part of the Atlas Air Service Group.

**We are looking for an experienced EASA B1 engineer,
type-rated on Embraer Phenom 300 to join our AOG-team**
(based at Geneva Airport / all genders)

RESPONSIBILITIES

- Perform AOG tasks and field repairs
- Communicate with demanding customers and other team members
- Prepare flawless paperwork
- Travel to AOG sites

REQUIREMENTS

- EASA Part-66 license type-rated on Phenom 300
- Any other EMB type-rating or additional B2 license are beneficial
- Must hold a Swiss or EU passport and a driving license
- High degree of self-responsibility to perform the designated work and completion of maintenance / aircraft documentation
- Ability to work independently
- Good knowledge of English (written and spoken), preferably also French
- Must live not further than 1 hour`s drive from LSGG (GVA)

BENEFITS

- Flexible working hours
- Long term employment
- Chance to obtain more type-ratings
- Independent work environment in a growing mid-sized company
- Attractive terms of employment
