For the attention of: Mr Bernd Dummer, Quality Manager

Dear Sir,

Atlas Air Service AG is hereby provisionally approved as a Bermuda option 1 Aircraft Maintenance Organisation (AMO) to perform maintenance on Bermuda registered aircraft in compliance with OTAR Part 145.

Approval Number **BDA/AMO/689** has been assigned to your Organisation. This approval is limited to the scope of approval specified on the EASA Aircraft Maintenance Organisation approval number **DE.145.0017**

A Certificate of Release to Service (CRS), must be issued to Bermuda registered aircraft in accordance with OTAR Part 43 Subpart C.

This Provisional Approval is valid from 28 October 2021 until 27 January 2022.

Your OTAR Part 145 Approval Certificate will be issued, pending a satisfactory audit of your facility.

Yours faithfully,

Christopher Lennon
Senior Airworthiness Inspector
